

**REMARKS**

A complete response to the July 7, 2009 Office Action was filed on November 9, 2009. The undersigned, however, has recently noted errors in claims 2, 3, 9 and 10. This supplemental response corrects such errors. Additionally, "normal" is changed to "nominal" in claims 9 and 10 so that they are consistent with the corresponding wording in claims 2 and 3. It does not change the arguments presented in the response of November 9, 2009. It is respectfully requested that this supplemental response be entered.

If a second month extension of time is deemed necessary in order to enter this supplemental response, this supplemental response then includes a petition for a second month extension of time so that the period for response is extended to December 7, 2009. Please charge the fee required (\$360=(\$490 - \$130 already paid)) to our Patent and Trademark Office Deposit Account No. 090470.

Respectfully submitted,  
General Electric Company
